### **PROFIT WARNING**

This announcement is made by Ever Smart International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market (“**GEM**”) of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a loss for the year ended 31 December 2016 (“**FY2016**”) as compared to the profit of approximately HK\$6.4 million for the year ended 31 December 2015. The occurrence of various unexpected global instability events since the listing of the shares of the Company on GEM in May 2016, including Brexit and the resulting depreciation of the British pound, and terrorist attacks in Europe, has adversely affected customer sentiment. The loss for FY2016 was mainly attributable to a decrease in revenue resulting from such unexpected global instability events and an increase in listing expenses.

The information contained in this announcement is only based on the preliminary assessment by the management of the Company of currently available information including the unaudited consolidated management accounts of the Group for FY2016 (the “**Management Accounts**”) and is not based on any figure or information which has been audited or reviewed by the Company’s auditor, nor have the Management Accounts been reviewed by the Audit Committee of the Company. The Company is in the progress of finalizing the results of the Group for FY2016. Further details of the Group’s financial information and performance will be disclosed in the Group’s results announcement for FY2016.

**Shareholders and potential investors should exercise caution when dealing in the shares of the Company.**
